Check out for the exciting lineup planned for your dog! Each day brings a new theme with outdoor fun, treats and unique activities tailored to every pup's personality. See what is in store to keep your pup engaged, active and happy all week long. (Weekly activities will vary each week to keep things fresh)

Monday

Park Play & Pupcake

Adventure: Play Park Day – We'll visit a large, open dog park where the dogs can run freely, chase balls, and socialize with other pups. This is an unstructured play day where the focus is on fun and letting the dogs be themselves.

Tuesday

Splash & Biscuit Day

Adventure: Splash Day – We'll head to a park with a lake or safe water area where the dogs can splash around and play. Water-loving pups can enjoy cooling off and diving in while the others can explore nearby areas.

Wednesday

Scent Adventure

Adventure: Scent Adventure Day – The dogs will be taken to a large park where they'll go on a "scent hunt." We'll hide different scent markers around the park, and the dogs will be encouraged to use their natural hunting instincts to find them. This is a mentally stimulating and fun activity that challenges their senses.

Thursday

Trail & Ice Cream Day

Adventure: Trail Day – We'll visit with a scenic 3-mile trail where the dogs can enjoy a long, adventurous walk through nature. This is a great day for dogs who love to explore and get their paws moving.

Friday

Doggy Bag Day

Adventure: Park Picnic Day – We'll take the dogs to a beautiful park for a relaxing outdoor picnic. After some playtime, the dogs will get a chance to relax, socialize, and enjoy their picnic treats while we all take in the scenery. It's a more relaxed day to end the week on a calming note.
